

**The Employment Team at Exchange Chambers  
are delighted to invite you to their inaugural  
Employment Law Breakfast Forum.**

**Date & Time**

**Wednesday 22nd of February, 8am**

**Venue**

**Exchange Chambers, Oxford House, Oxford Row, Leeds LS1 3BE**

The idea behind this quarterly event is to be both educational and to provide you with an opportunity to meet other professionals.

We intend to bring together Employment Law specialists to discuss in an open and informal forum recent case law developments and topical employment law issues.

Exchange Chambers currently runs established forums in other areas including Fraud, Insolvency and Ancillary Relief and we feel this forum will also be highly popular and beneficial.

The meeting will last one hour and will attract CPD points, refreshments will be served.

This is an exciting new project for 2012 and we would be delighted if you could attend.
