## Successfully Managing Major Claims

23rd February 2012 – Exchange Chambers, Leeds

- This half day event will focus on Claimants and Defendants managing major claims in such a way that both sides achieve a successful settlement.
- It will explore the possibilities of using ADR in addition to or instead of the court system.
- It will encourage genuine discussion by both sides in an effort to improve outcomes for claimants, and to involve genuine defendants in the process of rehabilitation and return to life.
