Commercial CV

Overview

Gareth's commercial practice centres on contractual disputes, although he also has experience of dealing with matters arising out of data protection, restoration and consumer credit. He has significant experience of housing litigation, particularly where claims involve an aspect of personal injury. He has previously dealt with claims arising out of the negligent flooding of a large block of flats and is currently instructed in respect of a major crane collapse onto a nearby building. Gareth is happy to consider instructions on a Conditional Fee Agreement basis and offers a swift turnaround of papers.
