Motoring and Vehicle Crime CV Overview

Richard is an experienced criminal practitioner with involvement in road traffic offences since 1994 (at Forbes and Partners Solicitors).

He is regularly instructed in vehicle-related cases, including frauds, car-ringing and trading standards prosecutions. He has appeared in all courts at all levels for the full range of crimes in the motoring calendar. Whether the allegation is murder, death by dangerous or fraud in the Crown Court, or summary only road traffic matters in the Magistrates' Court, Richard appreciates that each case is of the utmost importance to the client and deserves careful and professional attention.
