Overview CV

Jodie was called to the Bar in 2018 and became a tenant of Exchange Chambers in September 2020 following the successful completion of her pupillage.

Jodie has swiftly developed a strong practice encompassing insolvency and commercial work, in both the County Court and the High Court. In addition to accepting instructions in lower value matters, Jodie represents clients in claims at all track levels and has recent experience in high value, multi-track claims.

In addition to her Court experience, Jodie is regularly instructed to draft statements of case and applications across her practice areas; and often provides formal advice in respect of the same. Jodie has experience in dealing with cases from start to finish, and is happy to provide informal advice throughout the course of the proceedings.

Keeping abreast of updates to the law in her areas of practice, Jodie goes above and beyond to assist those instructing her by regularly publishing articles and offering webinars to ensure her knowledge is passed on.
