### Healthcare (acting for the professional)

#### CV

#### Overview

Richard defends doctors regularly at General Medical Council professional misconduct hearings (both FTP and ION). His experience of medical negligence matters and his ability as an advocate have resulted in the GMC being an ideal venue for him.

He has also developed a niche practice representing chiropractors before General Chiropractic Council misconduct hearings in London.

Richard has represented dentists and advised them with regards to their conduct before the General Dental Council.

## Recommendations

“A leading advocate in the criminal and regulatory arena.”

“His broad practice includes cases of serious violence and terrorism.”

“His broad practice includes cases of serious violence and terrorism.”

**The Legal 500 2020**

“His preparation, attention to detail and advocacy is first rate.”

**Alan Greenidge, Slater & Gordon**

“We regularly instruct Richard to deal with our complex and document intensive cases. He is what we want from a Barrister. Richard is approachable, decisive and hard-working who makes clear-cut decisions based on instinct, experience and knowledge with a calm and influential manner in Court.”

**Senior Partner, leading national law firm**

“Richard is a natural advocate.”
