It is important that all visitors, barristers and staff adhere to the following guidelines:

### Prior to attending

- The symptoms of Covid-19 are here: <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>

### Conferences

- Conferences can be held in Chambers, but it is important that if there are a sizeable number of people attending a conference, that the administration are informed in plenty of time as a boardroom will have to be allocated.
- It is important that we are aware of how many people are attending each conference (and the Clerks will try and ascertain that in advance) so that the appropriate social distancing measure are put in place.
- We will try and ventilate each room where possible.
- Unnecessary movement is discouraged albeit it is appreciated that it is a necessity for JSM and Mediations. Please try and ensure that you limit the need to move around the corridors as much as possible.
- Please note that due to the current restrictions Chambers will be unable provide refreshments

### Toilets and washing facilities

- Each building will have its own regulations so please observe these.
- Please ensure that you wash your hands thoroughly and sanitise on entry back into Chambers.
