Beyond the Bar

Huw read Political Science at the University of Leeds. Following his graduation he moved to London where he was employed as an intern researcher for a Member of Parliament. He went on to work for the Prison and Probation Ombudsman's office. In 2008 he completed his Graduate Diploma in Law and in 2009 he was called to the bar following his successful completion of the Bar Vocational Course.

Criminal Overview

Huw's practice involves the most serious criminal offences, and he is often instructed in large multi-handed cases. He was instructed as a junior taking part in the disclosure process of the Hillsborough investigation, and so is particularly able to deal with disclosure issues in large, paper heavy cases.

He is a Category 3 Prosecutor and is on the specialist panel for Rape and Serious Sexual Offences (RASSO).
