Construction CV

Overview

Jonathan has practised at the commercial Bar in Leeds since 1997, where he has developed a substantial practice including appearing in building claims before the TCC and the Court of Appeal. He is recognised for being approachable and for giving clear advice.

Construction work undertaken includes:

- Building disputes
- Professional negligence actions concerning engineers, architects and surveyors
- Design, supply and installation of computer systems
- Neighbour nuisance and trespass claims
- Work and materials contracts
- Claims arising out of fires
- Claims by and against local authorities

Recommendations

“Jonathan French of Exchange Chambers enters the rankings this year following widespread praise for his excellent accessibility and his pragmatism when handling cases. Sources say: ‘He offers full and frank advice and is very sharp on his feet.’”

Chambers & Partners

“Jonathan French is an experienced junior in difficult cases and boasts a high success rate ‘in and out of court’.”

Legal 500

“Jonathan French has wide experience and is ‘an excellent negotiator who never drops a point’.”

Legal 500

“An effective negotiator and there’s always a strong likelihood he’ll win.”

Legal 500

Beyond the Bar

Jonathan lives in North Yorkshire with his wife and their two daughters. He enjoys walking in the Yorkshire Dales and Scottish Highlands as well as sailing. He follows motor racing, cricket and rugby and enjoys live music.
