Sean brings to the family team his extensive experience as a Solicitor with a thorough understanding of client needs and exceptional client care skills.

Sean is always keen to be involved with cases at an early stage, including initial conferences with the client in order to understand their needs and wishes from the outset. He prides himself on delivering a high level of service to all his clients no matter what the circumstances of the case.

Sean has dealt with the full calendar of family cases and welcomes instruction in both ancillary relief and Children Act proceedings.

Sean is able to implement his well-honed skills to understand issues of financial complexity and has extensive experience in dealing with cases that are very sensitive in nature.

A robust advocate in court, Sean has a wealth of trial experience at all levels and will fight to secure favourable outcomes in difficult circumstances.

Sean is recognised as a leading individual in the Legal 500: *“His strength is his ability to communicate with people at whatever level, putting them at ease and generating instant trust.”*
