Banking and Finance

Adam has significant experience of banking and finance, having previously been seconded to the Financial Conduct Authority (FCA) in respect of investigations into national banks, as well as assisting a retired high court judge with the appeals of complaints brought by customers of a national bank following an FCA investigation. In addition, Adam has been instructed in over 50 matters regarding allegations of hidden commission payments from PPI cover. Adam is happy to accept instructions in the following areas;

- Asset finance
- Guarantee and indemnities
- Insolvency
- Investment banking
- FCA investigations
- Lending and Security
- Mis-selling

Publications

- *Reasons and reasons for reasons revisited: has the domestic arbitral award moved away from the fundamental basis behind the reasoned award, and is it now time for realignment?* Arbitration International, 2016, 0, 1-12.
- *Losing the Snail's Trail*, Building magazine, 16.09.2016.
- *An insider looking out - ironing out misconduct in international arbitration*, Construction Law Journal 89, 2017.

Beyond the Bar

In his spare time Adam enjoys painting with oil paints, with his work exhibited and sold nationally and internationally. Adam also enjoys spending time with his family and young cocker spaniel!
