Recommendations

Client/solicitor testimonials and legal directory recommendations

“Rachel’s court room advocacy was very sound and her interactions with the bench were always entirely appropriate”, Deputy Master

“She demonstrated a notably strong intellectual aptitude combined with sound judgment”, Deputy Master

“In my experience Rachel grasps complicated issues quickly and has, on several occasions, conducted legal research quickly and competently in my view,” Solicitor

“My opinion is that Rachel appears commercially minded, get to the nub of issues quickly, and considers both legal and practical issues when providing advice,” Solicitor

“Her drafting is clear, easy to understand and very thorough,” Solicitor

“Rachel has always provided me with clear advice, and most important issues, personable and easy to talk to. She is helpful and gets on your level when discussing legal advice and issues. There has never been any arrogance or brow beating,” Solicitor

“She is a good advocate. I have witnessed her address the Court in a matter I instructed her on. In spite of the complexity of the case, she was able to concisely and persuasively present the case before the Judge. It was no wonder we won. She was clear, efficient, and well-organised,” Solicitor

“I have witnessed her being able to strip away less important issues in a case which has often helped matters to settle. This I have seen at number of successful mediations where her analytical thinking has been the key factor in the settlement. For example, in a case concerning the removal of silt from a private lake that involved a large quantities of documents,” Legal Executive

“Rachel displays an excellent ability to communicate with my clients who come from differing backgrounds. My clients often comment on how approachable she and that they feel very comfortable communicating with her. With some Counsel, client feel rather nervous and daunted when explaining their case, but not with Rachel,” Legal Executive

“I have instructed Rachel on various matters – such as: hearings, trials, drafting pleadings or providing advice etc – and the standard of work that Rachel provides is always excellent. Furthermore, Rachel has a remarkable ability of being able to turnaround work with tight time constraints. In my opinion, Rachel is an exemplary barrister, and, in turn, an outstanding ambassador of the Bar. I believe that this is not only due to her legal expertise and knowledge, but also because of Rachel’s drive and commitment to her profession,” In House Solicitor for a Local Authority
