### Overview

Jonathan is an experienced advocate whose practice is weighted in serious fraud. He has also developed a growing practice in a wide variety of regulatory offences.

Jonathan is widely recognised for his meticulous preparation and clear client communications. He leaves no stone unturned in each case, working hard with both solicitors and lay clients to achieve the best possible outcome wherever possible.

### Recommendations

In terms of the service provided by Jonathan, he was recently described by an instructing solicitor as:

‘....providing excellent follow-up and advice on trial preparation...’
