### Data Breach and Privacy

Mark has significant experience of regulatory matters, with an extensive practice in the area of data breach, privacy and cyber fraud.

With a background in both criminal and civil law, Mark is able to provide swift and precise advice on issues arising out of ICO investigations and compliance.

Mark can also advise individuals and companies on the implications of a breach of their data by third parties.

Mark is consistently recommended as a leading individual in the Legal 500 guides.

In the 2021 edition of the Legal 500, he is described as “*Great with difficult clients.*”

## Recommendations
