### Appointments

Accredited Mediator

### Memberships

- European Brain Injury Society Headway
- Spinal Injuries Association
- International Medical Society of Paraplegia

### Education

- Gordonstoun School
- Liverpool University

### Personal Injury

Bill has been a KC for 29 years, and since taking silk he has worked exclusively for claimants who have suffered catastrophic brain and spine injury – nowadays, his work is almost all with brain injured families, where damages are likely to be more than £5 million.

Bill never works for defendants and has represented well over 1,000 catastrophic brain or spine injury claimants, and has won hundreds of millions of pounds in client compensation. He regularly finalises more than £50 million of claims a year.

Bill spends his time seeing injured people and their families, at their convenience, and he believes passionately in the rights of those who have suffered catastrophic injury, and their families.

Bill is also an accredited mediator, and he supports mediation and ADR when appropriate.

Bill has been awarded Personal Injury Barrister of the Year twice, UKABIF Lawyer Innovator once, and The Times Lawyer of the Week once.

### Personal Injury Cases

*SP* – Liability issue involving pedestrian running into road

*H* – Difficult liability issue – defence raised that defendant had unforeseen and unforeseeable heart attack, causing him to lose control of his car and injure the claimant

## Beyond the Bar

Bill has always been mad about cars, motorbikes and lorries, he is fascinated with their design and performance. He has a Class 1 LGV (heavy goods) licence, and has passed the Institute of Advanced Motorists test on both cars and articulated lorries. He has a competition driving licence, and races in the Historic Sports Cars series at weekends, driving old Lotuses. He has been keen on wine for 40 years. He is an enthusiastic photographer.
