Clinical Negligence

Anthony is an experienced clinical negligence practitioner, with extensive knowledge across a wide range of medical disciplines. He deals with claims regarding:

- Cosmetic surgery
- Dental negligence
- GP negligence
- Gynaecology
- Obstetric and neo-natal management
- Oncology
- Orthopaedics
- Psychiatry

Anthony has a thorough understanding of complex medical issues as a result of his personal injury and clinical negligence practice. An assured advocate, Tony inspires confidence in clients with the way that he handles highly sensitive matters.

He also has wide ranging experience of inquests and fatal accidents arising from medical negligence.
