Insolvency

Jodie is heavily involved with R3. In 2024, she was appointed as the Vice-Chair of the R3 Yorkshire Regional Committee, and she has now been invited to become a member of the R3 Council from March 2025.

Her experience spans all types of Insolvency Act Applications and trials, including hybrid claims, in both a personal and corporate insolvency context, at both first instance and appeal level. Though, of course, she is happy to accept instructions at any stage, Jodie's strong advisory practice means she regularly deals with matters from start to finish.

Jodie prides herself on her informal approach – where required, Jodie enjoys working closely with instructing solicitors and office holders; and often provides informal advice on merits and tactics as litigation develops. She is also regularly instructed in licensed access work directly by office holders.

Jodie has had her work on aspects of creditor enforcement in administration published in Sweet & Maxwell's Insolvency Intelligence; and is a regular feature in the LexisNexis Corporate Rescue and Insolvency Journal.

Recommendations

"Jodie is a go-to junior barrister. As well as being technically strong, she offers excellent client care and is formidable in court, her grasp of detail is very good, and she gets to grips with complex matters quickly."
