*“Her drafting is clear, easy to understand and very thorough,”  
Solicitor*

*“Rachel has always provided me with clear advice, and most  
important issues, personable and easy to talk to. She is helpful and  
gets on your level when discussing legal advice and issues. There has  
never been any arrogance or brow beating,” Solicitor*

*“She is a good advocate. I have witnessed her address the Court in a  
matter I instructed her on. In spite of the complexity of the case, she  
was able to concisely and persuasively present the case before the  
Judge. It was no wonder we won. She was clear, efficient, and well-  
organised,” Solicitor*

*“I have witnessed her being able to strip away less important issues  
in a case which has often helped matters to settle. This I have seen at  
number of successful mediations where her analytical thinking has  
been the key factor in the settlement. For example, in a case  
concerning the removal of silt from a private lake that involved a  
large quantities of documents,” Legal Executive*

*“Rachel displays an excellent ability to communicate with my clients  
who come from differing backgrounds. My clients often comment on  
how approachable she and that they feel very comfortable  
communicating with her. With some Counsel, client feel rather  
nervous and daunted when explaining their case, but not with  
Rachel,” Legal Executive*

*“I have instructed Rachel on various matters – such as: hearings,  
trials, drafting pleadings or providing advice etc – and the standard  
of work that Rachel provides is always excellent. Furthermore,  
Rachel has a remarkable ability of being able to turnaround work  
with tight time constraints. In my opinion, Rachel is an exemplary  
barrister, and, in turn, an outstanding ambassador of the Bar. I  
believe that this is not only due to her legal expertise and  
knowledge, but also because of Rachel’s drive and commitment to  
her profession,” In House Solicitor for a Local Authority*
